KNOX COUNTY

## Outside at the Indiana Military Museum

**Here is How it Works:** Read the clues below and fill in the spots for answers where you can, take pictures everywhere else so that there's proof that you've completed all the other tasks. After you've finished, be sure to share your completed list with us on social media by tagging us, and by using the hashtags [#visitvincennes](#) and [#knoxcountyin](#)

### CLUES:

1. There are this many track vehicles \_\_\_\_\_.
2. It's not big and yellow, can you spot the "Duck"?
3. You won't find this "Alligator" in the Everglades, get a picture with it when you find it!
4. There are this many foreign planes outside \_\_\_\_\_.
5. Can you spot the cannon with steel wheels? Once you do, take a picture with it!
6. Which plane is Senator John McCain's name is on?  
\_\_\_\_\_.
7. Go full speed ahead in this vehicle! Take a picture with the vehicle whose license plate number is 22 960.
8. There are lots of cleats out here (and we aren't talking about the type you wear on your feet) ! How many can you find? \_\_\_\_\_.  
Hint: They're grey, and many are around the submarine.
9. This two-seat plane was designed to help train pilots that were already qualified to fly propellor-driven aircraft. What is the name of this plane?  
\_\_\_\_\_.
10. This military branch can be found all around the IMM's outdoor exhibits, but they were the only one to fly the IMM's helicopter. Which branch is it? \_\_\_\_\_.
11. For such a big plane it didn't have very many crew members; what is the name of this large aircraft that was built in 1942, and used during the D-Day Invasions? \_\_\_\_\_.
12. Which plane has the number 435326 on its tail?  
\_\_\_\_\_.
13. She was a cultural icon during WWII and wore red, white, and blue! Take a picture with this famous female when you find her!
14. The IMM isn't haunted, but they do have a ghost! Can you find it?
