# Hoosier Cruisers

The Hoosier Cruisers Car Club was started in 1988. For 36yrs, it has always been about kids and cars with members that have a love for both. Our club is made up of women and men of all age groups, who love cars and giving back to our community.

The club uses our annual car show and other events with area businesses to help raise money for our Community Project. Each Fall, the club takes as many kids as we can on a shopping trip for much needed winter clothes. The kids are K-6<sup>th</sup> grade students from the Knox County elementary schools. Approximate ages of the kids are 6-12. The more money we raise throughout the year, the more kids we are able to take shopping.

Around 10 years ago, the club also started a Hoosier Cruiser Memorial Scholarship. This is a \$500 tool credit from a local vendor that is awarded to a 2<sup>nd</sup> year VU student, from Knox County, that is enrolled in the automotive tech or collision repair programs. They are able to use this tool credit to purchase tools they might need to further their career.

It's very rewarding to be able to give back to the community and to help these children in need. Without the continuous donations and support, this would not be possible.

For more info, feel free to call

(Chris)  
Thanks
